Accreditation: Tidewater Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia, 30033-4097, or call (404) 679-4500 for questions about the accreditation of Tidewater Community College. Certain curricula of the college are accredited by specialized accrediting organizations. Refer to the College Catalog for further details (www.tcc.edu/forms/catalog/).

Calendar: The academic calendar consists of two semesters lasting approximately 16 weeks and one condensed summer session. Semesters/sessions may include several shorter (dynamic) sessions.

Credit Hour: The unit of measure for academic purposes is the semester hour. A semester hour is equivalent to one academic hour of lecture or a minimum of two hours of laboratory per week for a semester or an equivalent time for a shorter semester. Prior to summer 1988, TCC was on the quarter system. Students that attended under both the quarter and semester system may have two transcripts—one for quarter credit and a second for semester credit.

Grading System: TCC uses a four point grading system.

Grade	Quality Points	Used in GPA
A Excellent	4	yes
B Good	3	yes
C Average	2	yes
D Poor	1	yes
F Failure	0	yes
P Pass	0	no
(For manual calculation of GPA, "P" grades should not be figured in the GPA)		
R Re-enroll	0	no
S Satisfactory	0	no
U Unsatisfactory	0	no
W Withdrawal	0	no
X Audit	0	no
I Incomplete	0	no
T Transfer Credit	0	no
* Grade not available	0	no
() Academic Renewal	0	no

Grade Point Average (GPA): A student's GPA is determined by dividing the total number of grade points earned in TCC courses by the total number of credits attempted at TCC.

Courses which do not generate quality points are not included in credits attempted. Only coursework taken at TCC is factored into the GPA.

Repeated Courses: For courses repeated summer 1988 through Summer 2021, only the most recent attempt is included in the calculation of the GPA. Fall 2021, only the highest grade earned is counted in the computation of the cumulative GPA.

Withdrawal, Transfer, and Academic Renewal: All attempted coursework appears on the transcript. Students may withdraw from courses during the first 60% of the semester or session. Transfer work must be college level and a grade of a "C" or above must be earned for transfer credit. An incomplete ("I") grade becomes an "F" if not completed by the last date of instruction in the subsequent 16-week semester. Effective summer 1994, students may petition for Academic Renewal if they have been separated from the college for five years or more and earn at least a 2.5 GPA in the first 12 semester hours completed after re-enrollment. If granted, "D" and "F" grades earned prior to re-enrollment will not be used in calculating the GPA, but the grades will appear on the official college transcript.

Course Numbering System

1-9	Developmental courses—no credit awarded toward associate degree programs.
10-99	Non-degree courses—no credit awarded toward associate degree programs, but may be used for certificate programs.
100-199	Freshman-level courses applicable toward associate degree and certificate programs.
200-299	Sophomore-level courses applicable toward associate degree and certificate programs.

Eligibility to Re-enroll: Academic eligibility to re-enroll is based upon program and suspension policies. Refer to the College Catalog for further details (www.tcc.edu/forms/catalog/).

Transcript Validation and Authenticity: This is an official transcript if included with a signature. Further documentation may be obtained by contacting TCC.
